

**Tasks:**

- 1 In groups of five, brainstorm one invention that you would like to have in the future.
- 2 Prepare materials to build a mock-up of your future invention.
- 3 Present the mock-up in front of the class and explain the purpose or function of your future invention.
- 4 Teachers will decide which invention is the most innovative.

Example:

Name of invention:
Multi-screen television

Functions:

- Able to watch multiple channels at one time.
- Interact with the show.
