

Tasks:

- 1 Teacher will ask all pupils to participate in a play.
- 2 Teacher and pupils will brainstorm the script. The play must include scenes, decide on the setting of the play, dialogue and costumes. Teacher must elect a narrator to narrate the story to the audience.
- 3 The play must have moral values/lessons.
4. Perform the play in front of the class or school.

Examples of a play script:**Scene I**

A huge mansion in Jalan Tunku Salim. A family of five is inside Encik Taufik's mansion. It is raining heavily. The family is sitting in a living room with Encik Taufik.

Encik Ehsan : Wow! It has been raining for two hours now. I'm afraid we might have to stay here longer.

Encik Taufik : No problem at all, Encik Ehsan! You and your family are welcomed here. Besides, the walk back to your car is probably muddy by now. It's such a hassle.

Puan Rania : That's very kind of you, Encik Taufik. My children will be on their best behaviour, won't you, Anna and Putri?

Anna & Putri: Yes, mother. We will.

Encik Taufik : Let's have some tea in the guest dining room, shall we?

Encik Taufik rises from his seat and leads the family into the guest dining room.
